Our Story

Every great journey begins with a simple belief.

What began in 1949 as a small oil mill has grown through generations of dedication and commitment into a trusted name in the edible oil industry.

With every generation came new ideas, stronger capabilities and a wider vision. Today, Jivan Oil World Limited continues that legacy by delivering quality products while building lasting relationships with customers, suppliers and business partners.

A legacy is not
what we inherit.
It is what we
build for
the next generation.

OUR JOURNEY

Growing with Time. Evolving with Trust.

1949

The Beginning

The journey began with Late Shri Ambalal Parshottam Thakkar, who started a small oil mill near Vasad village. His dedication laid the foundation for our family's journey in the edible oil industry.

1973

The Next Generation

In 1973, the next generation Late Shri Ramanlal Ambalal Thakkar join the family business. operations expanded and the business strengthened its presence.

1994

Entry Into Vadodara Market

A significant new chapter began with Late Shri Jivangadhar Thakkar, as Jivan Enterprise established its presence in the Vadodara market. The company became the first distributor of Rani and Maruti Oils in the region.

2010

A New Vision For Growth

Mr. Sajjan Thakkar (Son of Jivangadhar) joined Jivan Enterprise and brought a new generation of leadership to the business.

2012

Strengthening The Business

In 2012, Mrs. Vibhuti Sajjan Thakkar joined the business and became an integral part of its operations. She strengthened operations, customer relationships, and market reach, helping expand the company's customer base.

2024

A New Corporate Chapter

Under the leadership of the new generation, the business reached another major milestone

JIVAN ENTERPRISE

JIVAN OIL WORLD LIMITED

The transition from a proprietorship to a limited company represents the evolution of a family legacy into a professionally managed and future-focused enterprise.

**From humble beginnings to a growing enterprise
every generation has added strength to our journey.**

LEADING WITH PURPOSE

Rooted in Values. Driven by Vision.

**MR. SAJJAN
JIVANADHAR THAKKAR**

With a progressive approach and a strong understanding of the edible oil market, Mr. Sajjan Thakkar has played a key role in expanding the business and guiding its transition from a family enterprise into Jivan Oil World Limited.

**MRS. VIBHUTI
SAJJAN THAKKAR**

Mrs. Vibhuti Thakkar plays an integral role in strengthening the company's retail and wholesale operations, market coordination and customer relationships. Her contribution has helped create a more structured, connected and customer-focused organization.

As we move forward, our focus is to strengthen our capabilities, expand our presence and build Jivan Oil World Limited into a future-ready edible oil enterprise while staying true to the values that have guided us for generations

“ Director's Message

For us, business has always been about more than growth. It is about earning trust, delivering consistent quality and building relationships that last...

”

Legacy Gives us Strength
Vision Takes us Forwards.

FROM OUR PROMOTER

A VISION ROOTED IN PURPOSE

“Our journey at Jivan Oil World Limited has been built on dedication, trust and continuous growth. What started as a small proprietorship has grown into a respected name in the edible oil industry.

Our vision goes beyond business growth. We aspire to build a stronger ecosystem that supports Indian agriculture, creates employment, promotes sustainable practices and strengthens domestic edible oil production.

As we move forward, our focus will remain on quality, innovation and responsible growth — contributing towards a healthier and more self-reliant India.

”

MR. SAJJAN JIVANADHAR THAKKAR

DIRECTOR - JIVAN OIL WORLD LIMITED

Growing with Purpose.
Building for Generations.

OUR FUTURE VISION

BUILDING A STRONGER, SUSTAINABLE & SELF-RELIANT INDIA

01

ESTABLISH A LARGE-SCALE EDIBLE OIL REFINERY

Our vision is to establish one of Gujarat's leading edible oil refinery facilities, equipped with modern technology, high production capacity and world-class quality standards.

02

SUPPORTING OUR FARMERS

Strengthen our connection with Indian agriculture by supporting farmers, encouraging better farming practices and creating a reliable ecosystem for locally sourced agricultural produce.

03

CREATING JOB OPPORTUNITIES

Our future expansion aims to generate direct and indirect employment opportunities, support skill development and contribute to the economic growth of local communities.

04

MODERN PACKAGING PLANT

Develop a state-of-the-art packaging facility focused on hygiene, efficiency, product safety and modern packaging solutions that meet evolving market requirements.

05

ECO-FRIENDLY & SUSTAINABLE GROWTH

Adopt energy-efficient technologies, responsible resource management and environmentally conscious practices to reduce our footprint while building for future generations.

06

REDUCING INDIA'S IMPORT DEPENDENCE

India is currently heavily reliant on imports to meet its edible oil requirements. Our long-term vision is to strengthen domestic production, encourage local sourcing and contribute towards reducing this dependence.
